CHARTER TOWNSHIP OF RUTLAND

BARRY COUNTY, MICHIGAN

ORDAINS:

§ 101-1. Title and Purpose

- A. Title. This ordinance shall be known and may be cited as the Rutland Charter Township Temporary Sales Ordinance.
- B. Purpose. The purpose of this ordinance is to avoid the detrimental impacts of perpetual “yard sales” and similar types of sales activities on

persons and property in Rutland Charter Township, by regulating the duration and frequency of such activities, and otherwise establishing reasonable parameters applicable to such sales; and by requiring a permit for a “flea market” type of sale; and to exempt certain types of sales from these regulations.

§ 101-2. Definitions of terms

As used in this ordinance, including in this section, the following words and terms shall have the meanings stated herein:

- A. “temporary sale” means and includes all such sales conducted as what is commonly known and understood to be a “yard sale”, “garage sale”, “porch sale”, “barn sale”, “estate sale”, “rummage sale”, “flea market”, or any other similar type of casual sale of goods which is advertised by any means whereby the public at large is or can be made aware of such sale, and where all or virtually all of the goods available for sale are second hand goods owned by a resident of the premises on which the sale is conducted and from the household of that person, or are owned by and from the household of a neighboring resident, family member, or other person directly or indirectly participating in the sale.
- B. “goods” means and includes any second hand household items and similar tangible property capable of being the object of a sale regulated under this Chapter.
- C. “flea market” means and includes a type of sale, typically outdoors, where the goods available for sale are generally not from the household of the person holding the sale, and may be second hand goods and/or new goods. This type of sale may also be known as a “swap meet”. A temporary sale that will not comply with § 101-3.B.1. is also a “flea market” for purposes of this ordinance, and is therefore subject to § 101-4 (unless exempted by § 101-5).

§ 101-3. Regulation of temporary sales (other than flea markets)

Any temporary sale that is not a “flea market”, is subject to the following:

- A. No permit required. A permit is not required for any type of temporary sale activity regulated by this Ordinance that is not a flea market.
- B. Time limits and other requirements. Any type of temporary sale that is not a “flea market” is subject to the following regulations:
 - 1. Such sale may take place on the premises of a lawful dwelling anywhere in Rutland Charter Township, without regard to the zoning district classification of the premises under the Rutland Charter Township Zoning Ordinance (Code Chapter 220). Such sale shall not take place on a vacant lot, or other premises without a dwelling, unless the vacant lot is

contiguous to the premises of the dwelling and under the same ownership as the dwelling.

2. Such sale shall not exceed 4 consecutive days; and shall be held not more than 4 times per year per premises, with at least a 30 day interval between otherwise permissible sales.
3. Only used normal and customary household personal property and residential goods may be offered for sale, and incidental unused such goods not exceeding 1% of the items for sale.
4. Such sale shall be conducted by a resident of the premises on which the sale is conducted, or by a neighboring resident, family member, or other person whose goods are available for sale and who is actively participating in the sale.
5. The premises on which the sale is held shall be able to accommodate all vehicular traffic associated with the sale without impeding motorized or non-motorized vehicles on any public roadway or impeding pedestrians on any sidewalk or other public right-of-way, or otherwise violating any traffic/parking law administered and enforced by any unit of government.
6. If the sale is advertised by signage on or off the premises upon which the sale is held, all such signage shall comply with the applicable requirements of any other Rutland Charter Township ordinance, including Article XVIII of Code Chapter 220 (Zoning). The permitted signage shall not be in place more than 3 days prior to the day on which the sale begins, and shall be removed and properly disposed of within 24 hours of the close of the sale. In addition, and notwithstanding any such other ordinances, signage advertising a sale regulated by this ordinance shall not be placed on or over a public sidewalk, or otherwise within a public right-of-way, unless allowed by and in conformance with any applicable regulations of a governmental unit with jurisdiction over the public right-of-way.
7. All items not sold or being held for pickup after the close of the sale shall be placed inside a fully enclosed building within 24 hours of the close of the sale, unless such item may otherwise be lawfully stored outside of a building in accordance with any applicable ordinance of Rutland Charter Township.

§ 101-4. Regulation of temporary sales that are flea markets

Any temporary sale that is a “flea market” is subject to the following:

- A. Permit required. A permit is required for any type of temporary sale activity regulated by this ordinance that is a “flea market”. The Township Clerk or the Clerk’s designee (which may be the Deputy Clerk, an Ordinance Enforcement

Officer, or the Zoning Administrator) shall issue a permit for this type of sale upon:

1. The filing of a permit application indicating all the following:
 - a. the name and mailing address of the person who will be responsible for conducting the flea market;
 - b. the street address of the premises where the flea market will be conducted;
 - c. the name of the owner of the premises on which the flea market will be conducted and their consent to the sale (if the applicant is not the owner of the property).
 - d. the date(s) on which the flea market will be conducted;
 - e. the dated signature of the permit applicant, which shall signify the applicant's awareness of all applicable regulations and the intent to comply with same;
 - f. a telephone number where the applicant can be reached during the sale period;
 - g. such permit application fee, if any, as may be established by the Township Board for a flea market permit.
2. Confirmation from the Township Zoning Administrator that a flea market on the subject premises will not violate any provision of the Rutland Charter Township Code, including Chapter 220 (Zoning).

B. Time limits and other requirements. Any type of temporary sale that is a "flea market" is subject to the following regulations:

1. Such sale shall not exceed 4 consecutive days; and shall be held not more than 2 times per year per premises, with at least a 30 day interval between otherwise permissible sales.
2. Only normal and customary household personal property and residential goods may be offered for sale.
3. The premises on which the sale is held shall be able to accommodate all vehicular traffic associated with the sale without impeding motorized or non-motorized vehicles on any public roadway or impeding pedestrians on any sidewalk or other public right-of-way, or otherwise violating any traffic/parking law administered and enforced by any unit of government.
4. If the sale is advertised by signage on or off the premises upon which sale

is held, all such signage shall comply with the applicable requirements of any other Rutland Charter Township ordinance, including Article XVIII of Code Chapter 220 (Zoning). The permitted signage shall not be in place more than 3 days prior to the day on which the sale begins, and shall be removed and properly disposed of within 24 hours of the close of the sale. In addition, and notwithstanding any such other ordinances, signage advertising a sale regulated by this ordinance shall not be placed on or over a public sidewalk, or otherwise within a public right-of-way, unless allowed by and in conformance with any applicable regulations of a governmental unit with jurisdiction over the public right-of-way.

5. All items not sold or being held for pickup after the close of the sale shall be placed inside a fully enclosed building within 24 hours of the close of the sale, unless such item may otherwise be lawfully stored outside of a

building in accordance with any applicable ordinance of Rutland Charter Township.

§ 101-5. Exemptions

The following persons and types of sales are exempted from this Ordinance:

1. Persons selling goods pursuant to an order or process of a court of competent jurisdiction.
