Plans must be submitted with an Application for Plan Examination and the appropriate fee before a permit can be issued, except as listed below. Plans are not required for the following.

1. Alterations and repair work determined by the mechanical official to be of a minor nature.
2. Business, mercantile, and storage buildings having HVAC equipment only, with one fire area and not more than 3,500 square feet.
3. Work completed by a governmental subdivision or state agency costing less than \$15,000.00

If work being performed as described above, check box below "Plans Not Required."  Plans Not Required

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature. All projects that require plan review will be assessed a plan review fee.
